Staffing news

We are very sadly going to be saying goodbye to Mrs Miller, our wonderful music teacher, at the end of this year. She has decided to scale-down her work and retire from the post she has held here for the past eight years. Her impact on the musical life of our school has been amazing, with the school choir, recorder groups, ocarinas, samba groups, class music projects, singing teaching with the whole school and a wide range of instrumental musicians all benefitting greatly from her skills and encouragement. She will be greatly missed and we thank her for all she has done for the children of this school.

Mrs Toy has done a fabulous job for us in Rainbow Base over the last two years, but is also a highly skilled Key Stage Two teacher. Next year she will share Silver Base with Ms Rankin, taking half the week each. This will give Ms Rankin time to take over the music leader role from Mrs Miller.

We are currently advertising for a new teacher to join Ms Maskell in Rainbow Base, to teach them for half the week each.

We are also looking for a Midday Supervisor for 1 hour a day. If you or someone you know would be interested please follow the link below to find our advert and complete the application form. The closing date for applications is Sunday 20th May.

One Way System

To ease the congestion at the end of the day, we are now opening the gates by the Hall and would like to encourage you to go out that way during the busiest few minutes so that the gate by Rainbow Base can be kept clear for parents arriving to pick up children. The Pre-School have asked us to remind parents that Pre-School children should be picked up before school-aged children
