9th May 2018

With this beautiful weather it is lovely to have the children making full use of all our outside space in their lessons and playtimes. Please ensure they have a sun hat in school along with some water and sun cream. I was amazed at the number of parents and children who gave up their time at the weekend to help with the Stourhead Catering days. Thank you very much, on behalf of the children and staff, to everyone involved. The total profit will be announced when all the accounting is complete.

Lost Property

Please could everyone have a good check at home for any school uniform that has someone else's name in it. Sometimes the wrong sweatshirt can be picked up by the children without them noticing.

Mathletics is Back!

We have decided to subscribe to this excellent Maths website. Your child will have login details to use the site at home. Please support them in this great learning opportunity, but don't do the activities for them or it will make the activities too hard for them in the future!

No toys in school please

A reminder that children should not bring their own individual toys in to school. Some of the Gold Base children have recently had some problems with this rule.

Swimming Pool – Resuscitation Training session – 6pm Wednesday 9th May

A reminder that this is a short session for anyone planning to lead swimming sessions during the Summer. Please let us know if you can come.

Royal Wedding celebration – Friday 18th May

The PTFA will be holding a Non-Uniform Day with a red, white and blue/royal theme for £1, along with a competition and a special tuck shop. See the PTFA letter sent home today for more details.

Golf Day – Saturday 26th May at 10.30am

Teams of four are invited to take part in this very popular annual event. Please contact Gareth Probert garethmgbk@aol.com or Dave Wynn Davidawynn@googlemail.com if you would like to enter a team.

Parking on the main road

We have recently seen some illegal parking on the main road outside school. It is good to park by the school hedge, but further up the hill there is a solid white line in the middle of the road which should not be crossed due to the proximity of the blind summit. Cars parked in this area force cars and larger vehicles to cross the line, creating a potentially dangerous situation. Please politely remind others if you see them parking in this area, we will also continue to monitor the parking around the school site as well.

Early Birds

Forms for booking sessions for the Summer 2 half-term are being sent home today to those who regularly use the club. Additional forms can be obtained from the school office for those who need to make occasional bookings.
