A huge thank you to all parents, staff and friends of school who are helping with our Catering Days at Stourhead on Sunday and Monday this weekend. Please go along to use the school café in the courtyard there if you can. The PTFA have provided loads of lovely things for us recently and have already agreed to help with new sound equipment for the Hall, visits and trips for the children and the purchase of our first Smart board interactive flat panel – a 'state of the art' teaching resource like a giant TV screen.

Breakfast Club

I am delighted to announce that the Bourton and Zeals Pre-School on our school site are starting a daily breakfast club when we return to school in September. The club will run from 8am each day, provide some breakfast for the children and deliver them to school each morning. Places will be bookable on a regular or occasional basis through the Pre-School at a cost of £3 per child per session. We will distribute their booking form in the next few weeks. We had expressions of interest in using the club from 14 families, so we hope there will be a nice little group each morning.
