PTFA Newsletter June 2017

School Uniform Sale - 21st June

We are hoping to hold a school uniform sale from 2.45pm on 21st June but are currently lacking donations. Please bring any supplies in to school. Please also check lost property before Wednesday as unclaimed items will be sold!

Stourhead Catering Days 1st/2nd

July

Stourton Village Hall give the school access to provide lunches, cakes and teas for visitors to Stourhead and it is the most lucrative fundraiser of the year. But it also requires a big input from parents via cake baking, donations and volunteers to help on the days. This year our focus is on raising funds for the new library - a worthy cause.

Please bring cake donations in to school on Friday 30th June. Alternatively, bring them to the Stourton Village Hall through the course of the weekend. Please bake with imagination...we need variety of goodies for sale rather than lots of victoria sponges and lemon drizzles! And we need lots and lots and lots. Last year was a sell out on day 1.

Catering day leaders will be seeking volunteers to help out. Please do step forward and fill the slots.

If anyone has printing skills we need help with menus/signs and advertising.
