2nd February 2016

Dear Parents

Parents' evenings

There will be evenings for parents and children to come and discuss work and progress on

Monday 29 th February	2.00 - 5.00pm
Thursday 3 rd March	5.00 - 7.30pm

Appointments will last 10 minutes each.

These meetings are an opportunity for parents, children and teachers to consider together past work, assess progress and set targets for the future. It is a chance to give praise and encouragement and to suggest ways of helping where there may be difficulties.

The children's work will be available for you to look through before your appointment.

Would you please return the slip below by **Tuesday 9th February**. We will then send confirmation of your appointment time after half term.

Yours sincerely

Mr M. Salisbury
