ST GEORGE'S SCHOOL SWIM THE CHANNEL SPONSORSHIP FORM

Sponsoring parents and children to swim any distance to suit either, your child's ability (1 length for a beginner would be no mean feat and will add to the overall mileage); or half a mile = 32 lengths; or one mile = 64 lengths for adults. Funds raised will help towards the upkeep of our own school swimming pool. Both Wincanton and Gillingham pools are 25m so you can use either in your own time or just choose another pool. Sign up Grand Parents, Uncles and Aunties or work colleagues as sponsors. Ideally the swim should be completed by Friday 3rd March, please return your sponsorship form and money to the School office by Friday 31st March.

If you are unable to swim but would like to support the school pool please make a donation in an envelope and hand in to the office marked 'Pool'.

We need to swim 21 miles to cross 'The English Channel' to France.
