Dear Parents and carers

SPRING TERM 1 TOPIC : SPACE AND PLANETS

Welcome back to school and a Happy New Year to you all! Thank you for your Christmas cards and gifts - these were very much appreciated.

Homework - Our topic for the first half of Spring term is Space and Planets. We thought it would be lovely if you could have a go at making a planet or star at home with your child which we could display in the classroom - preferably suspended from the ceiling so it will need to be lightweight and able to be hung from a drawing pin! We would love to have these in school by the end of next week if possible (by Friday 17th January).

Dressing up - If you have anything at home which we could use for dressing up for our Space and Planets theme and are happy to lend or donate to us, we would be really grateful.

Additionally, *any* dressing up costumes for any theme would also be gratefully received.

Many thanks for your support,

From the Hedgehogs team
