25<sup>th</sup> February 2020

Dear Parents and Carers

Welcome back to the second half of Spring term – we are hoping for nicer weather over the next few weeks!

Our theme for this half term is Forests and Woodlands. To get us started this week, we would like the children to bring in an object on the theme of Spring. This could range from a Spring bulb or flower to a bird's feather! We do ask that it is not a toy, however. It is our intention to display the items in the classroom with a label to say what it is. Please bring them in by Thursday 27<sup>th</sup> February.

We will be planting trees during this half term and we hope to organise a trip, together with Squirrels Class, around the theme of Woodlands. More details to follow.

Phonics – We will be continuing with Read Write Inc. phonics on a daily basis and will be starting Set 2 sounds and revising Set 1. A new Set 2 sound will be sent home with relevant children twice a week, starting from later this week.

Please ensure that book bags, together with reading books and reading records inside, and PE kits are in school every day.

We do ask that Show and Tell items are related to the term's topic only – please do not send toys in book bags as these do cause problems and distractions in the classroom.

Junk modelling – we are running short of resources! We would be very grateful for small boxes (cereal box size or smaller), tubes, yogurt pots, plastic tubs and trays (small) etc.

Many thanks for your continued support,

The Hedgehog Class team
