

## Work for week beginning 11th May 2020

### Year 1

The following are suggested activities. You can choose a selection or attempt them all but we suggest you try to fit in some reading, phonics, maths and writing over the week.

**Mental Maths:** attached. We would like to keep this going at home and will send weekly. It would be ideal if you could work through daily. The weekly Test can be delivered whenever you feel is appropriate for your child.

**Mathletics activities and Mathletics Live:** We suggest you do one activity per day and then go on to Mathletics Live. Instructions for those of you who are not sure how to do this: go onto the Play tab, scroll down and select Class Challenge and Level (at the top of the screen - level 1 or 2) then Go! Year 1s will be familiar with what to do and how to do it. **Please note - you can't access Mathletics Live until all the 'set' activities are completed, however.**

### **Maths**

We are continuing to practise multiplication and division skills. Please find attached worksheets about making equal groups; sharing into equal groups, reasoning and problem solving. There are four sets of worksheets - you do not have to do them all but you can if you would like to.

You can use practical resources to help with these concepts and you may find that you need to go over an activity more than once.

### **Literacy/Topic**

**Please see the Captain Cook PP**

Captain Cook was an explorer who sailed all over the world discovering new things. Using a map, the children are to plan their own adventure. Ask your child to think about where they would like to visit and the route they would want to take. Please support them to write a postcard from where they visit, or even choose a country and find out some information about it.

## Science based tasks

Please look at the **attached PP** or the clip:

<https://www.bbc.co.uk/bitesize/clips/zwfd2p3>

Using the animal pictures from the **attached sheet**, the children need to sort them into omnivores, herbivores and carnivores. There are clues on the pictures to help them!

## Creative ideas

Captain Cook visited Australia. Aboriginal people were the first Australians and they created paintings using lots of dots in natural colours. They did not have paintbrushes, so they used sticks and their fingers to make their artwork. We would like you to create your own picture of an animal using dots. You might want to use paint, or felt tips.

**Year 1 spellings** - please continue to practise the high frequency words that year 1s should be able to read by the end of the year. We suggest you practise at the rate of 5 -10 a week if possible, building in revision too.

## Year 1 Phonics (sounds of the week)

Below is a list of the sounds the children could work on this week. They could write sentences using these sounds, hide words in a wordsearch or make up rhymes.

Sounds	u_e	aw	ea
Rhyme	u_e – “huge brute!”	aw – “yawn at dawn!”	o_e – “cup of tea!”
Examples of words	huge / cube / June / rude	yawn / saw / claw / paw	tea / pea / leaf / east

Oxford Owls - free resources for parents: there are Speed Sounds practice sheets here which you can print off to practise writing at home. Please see the link (attached) for full information about RWI resources for parents.

## Reading - Oxford Owls

Try to fit in some reading every day with your child. A reminder that Oxford Owls has free Resources for Parents. If you click on Read Write Inc Support you will find free e-books (click on the age group for your child, eg 4 - 5 for Reception and 5 - 6 for Year 1) and also Speed Sounds practice sheets which you can print off, videos, Speedy Green Words and slideshows.

## Story time

Sharing a story is a lovely time of day to spend together. The following websites are worth a look too in order to vary the experience.

<https://www.booktrust.org.uk/>

[stories.audible.com](https://www.stories.audible.com) = free audio books

## NEW WEBSITES

These two additions are worth looking at for ideas - the first one has more 'lesson' type activities including phonics and the second is more creative
