

Work for week beginning 4th May 2020

Year 1

The following are suggested activities. You can choose a selection or attempt them all but we suggest you try to fit in some reading, phonics, maths and writing over the week.

Mental Maths: attached. We would like to keep this going at home and will send weekly. It would be ideal if you could work through daily. The weekly Test can be delivered whenever you feel is appropriate for your child.

Mathletics activities and Mathletics Live: We suggest you do one activity per day and then go on to Mathletics Live. Instructions for those of you who are not sure how to do this: go onto the Play tab, scroll down and select Class Challenge and Level (at the top of the screen - level 1 or 2) then Go! Year 1s will be familiar with what to do and how to do it. **Please note - you can't access Mathletics Live until all the 'set' activities are completed, however.**

Maths

For the next two weeks we are continuing to practise multiplication and division skills. Please find attached some activities which cover these 'Small Steps' in learning about multiplication and division:-

Make arrays; Make doubles;

You will need to use some actual objects to help with these concepts and you may find that you need to go over an activity more than once.

Worksheets attached - make arrays; make doubles.

Literacy

Please see the Christopher Columbus notes.

Imagine you are onboard the ship. Write a message to go in a bottle for someone at home to read. Think about what message you would want to send and who you would want to send it to.

Science based tasks

Year 1

Christopher Columbus sailed to Cuba and the Bahamas. See if you can find out some of the animals that he might have seen and write some facts about them. You could also draw some of the animals that might have been spotted.

Creative ideas

Design your own ship to sail around the world in. Think about what you would want to have on it, what it would look like and how big it would be. What might you make it out of?

Year 1 spellings - there is a list attached of high frequency words that year 1s should be able to read by the end of the year. We suggest you practise at the rate of 5 -10 a week if possible, building in revision too.

Year 1 Phonics (sounds of the week)

Below is a list of the sounds the children could work on this week. They could write sentences using these sounds, hide words in a wordsearch or make up rhymes.

Sounds	a_e	i_e	o_e
Rhyme	a_e – “make a cake!”	i_e – “nice smile!”	o_e – “phone home!”
Examples of words	make / wake / shake	nice / mice / rice	phone / nose / joke

Oxford Owls - free resources for parents: there are Speed Sounds practice sheets here which you can print off to practise writing at home. Please see the link (attached) for full information about RWI resources for parents.

Reading - Oxford Owls

Try to fit in some reading every day with your child. A reminder that Oxford Owls has free Resources for Parents. If you click on Read Write Inc Support you will find free e-books (click on the age group for your child, eg 4 - 5 for Reception and 5 - 6 for Year 1) and also Speed Sounds practice sheets which you can print off, videos, Speedy Green Words and slideshows.

Story time

Sharing a story is a lovely time of day to spend together. The following websites are worth a look too in order to vary the experience.

<https://www.storylineonline.net/>

<https://www.booktrust.org.uk/>

[stories.audible.com](https://www.stories.audible.com) = free audio books

Suggested Websites

Below is a list of websites that have activities to complete online, or print and complete at home.

Science

<https://www.sigmaaldrich.com/life-science/curiosity-labs.html>

Professor Bubbleworks (professorbubbleworks.co.uk) - Science and STEM:
Theme "Science Fun in the home"

Maths

www.mathletics.com/uk

- Complete set tasks and "Live Maths" competitions.

<https://www.k7maths.com/help/2107>

BrainBusters (brainbusters.co.uk) - Maths Fun and Puzzles - "Riddle of the Day"

DoodleMaths - Revise and practise primary maths with DoodleMaths' collection of curriculum-aligned guides.

Reception: <https://www.doodlemaths.com/dmsc-year-reception/>

Year 1: <https://www.doodlemaths.com/dmsc-year-1/>

Literacy

www.literacyshedplus.com/en-gb/browse/free-resources = Lots of KS1 activity packs.

<https://www.onceuponapicture.co.uk/>

Reading Planet Online Library - Rising Stars

Bring reading to life with a great value interactive, eBook library. Sign up for a free 30 day trial: <https://www.risingstars-uk.com/subjects/reading-and-ebooks/rising-stars-reading-planet/reading-planet-online-library>

Health and Fitness

Fit4Kids (fit4kids.co.uk) - Health and Fitness: Theme: "Doing your Fit"

Mindful Minis (mindful-minis.co.uk) - Mindfulness and Mental Health - "Mindful Minutes at Home"

Phonics

www.phonicshero.com (free 7-day parent trial)

www.phonicsplay.co.uk = Great phonics games. Username: march20 Password: home
